

SERVING THE CARIBBEAN REGION SINCE 1954

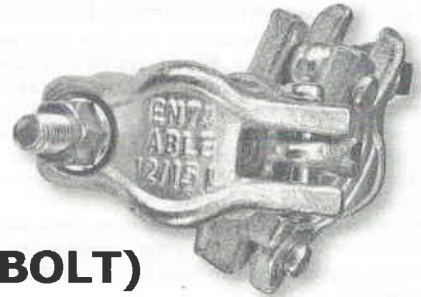

Tube & Clamp

The **ABLE** brand Clamp - traditional design made to contemporary standards. Available as either a fixed (90 degree) or swivel clamp, each side handles tubing from 1 5/8" to 2" held in place by a 1/2" galvanized steel nut. Below are the 90 degree fixed clamps and the 360 degree swivel clamps, available with "T" bolt or "I" bolt. "T" bolt has an easily replaceable nut and bolt. "I" bolt has 12 ridges to securely hold pipe in place to prevent slippage.
